# WHY CHOOSE ME

Your hair and makeup are going to be in every single photo of you, and on the most photographed day of your life you want to look and feel like the most beautiful radiant version of yourself. But with so many talented options available, how do you see past the ocean of pretty images and know who to work with?

Because I do not take on more than one wedding a day and limit the number of brides each month, I can fully devote my time and attention to making your experience relaxed and luxurious.

My commitment to your peace of mind means that I bring the luxury and convenience of on location hair and makeup services right to your doorstep, with a fully loaded arsenal of professional quality products, lighting, seating, and more. I only use professional hair and makeup products like Mac, Redken, Charlotte Tilbury, and more favorites from Sephora. I only work with high quality products to offer you a high quality experience. Each member of your bridal party finishes with a personalized touch-up kit with their lip color included.

But your experience doesn't stop there. In addition to helping my brides navigate the details of their look, I craft each part of the process to your needs. I'll help you create the perfect morning-of timeline that allows for each member of your party to feel pampered as they receive hair and makeup services. I get to know your wedding day planner and photographer to keep everything running smoothly and coordinated like a well oiled machine. Allow my 8+ years of experience helping brides work for you!

# PREVIEW

Relax in the comfort and privacy inside the studio while we work to create a look that is timeless and tailored to you.

Not sure what you're going to wear in your hair? I have examples of hair accessories in all colors and styles for you to try! Plus, I specialize in custom colored hair extensions for a perfect blend! Extensions are an investment and should be undetectable.

I am certified in 6 different methods.

My top recommendations are investing in a halo or clip-ins from the beginning to utilize them for engagement photos, bridal shower, bachelorette party, rehearsal dinner, wedding etc. If properly cared for they can last years!

Rather rent my extensions? I've got the solutions you need from an assortment of colors and style plus custom extension matching right in studio.

Live too far for a trial? I can mail a color ring and assist you via zoom in color matching to ensure we order the perfect extensions to incorporate in your bridal style. This service is available to anyone in your wedding party as well.

When we're done, it's time for your photoshoot! We'll capture your look on camera, and I'm happy to send you a copy of the photos.

\*Trials are only offered to contracted brides inside the same calendar year of their event and recommended 2-3 months out.

# ADDITIONAL ARTISTS

Services refers to the total number of hair or makeup applications on the wedding day. For example: 2 people having hair and makeup equals 4 services. Additional artists are required when there are small timing windows.

**TIMING:** All weddings are booked for between 4 to 7 hours. This allows to get everyone ready in a reasonable timeframe without having to get your bridal party up too early.

Should your venue have requirements for what time we can arrive to get started, this may necessitate a shortened timeframe and additional artists to complete.

In the event of a short time frame and less than 5 services booked per stylist there will be an additional artist/assistant fee of \$150 added to ensure you are ready in time!

## SAMPLE TIMELINE

45 minute intervals per service

# PAYMENT

Payment for your wedding is done in two parts:

Retainer: 50% of the day-of total is due at contract signing.

Balance: The remaining balance and any add on services is due 10 days before the wedding date so that you can relax and enjoy your getting ready process.

All payments are available online for your convenience.

Gratuity is not added onto your invoice. The highest form of gratuity we value is reviews and referrals!

# BOOKING DETAILS

## CONTRACT + DEPOSIT

The contract and deposit completes the booking and is typically done no less than 4 months before the wedding date to allow for booking additional artists.

## PREVIEW

At your trial, we will finalize your day of details as well as craft the perfect look for your wedding hair and/or makeup.

## SCHEDULE

I will create a schedule and guide of how to arrive to prepare you and your bridesmaids for services the day of the wedding.

## Keep In Mind...

As with all wedding vendors, we book 6-12 months or more in advance. In the Northern Michigan area, spring and fall dates are closer to 12 months, with winter and summer being closer to 6-8 months. Booking hair and makeup is unlike scheduling an appointment at the salon. Inquiries come in daily, and dates book quickly!

That means that while we don't want to rush your decision, we cannot guarantee availability without a signed contract and retainer.

If you're ready to check one more thing off your to-do list and relax when it comes to booking your hair and makeup, just let me know! I'll prepare the retainer to hold the date and all you have to do is sign and pay online in just a few clicks.
